C 7 TO [REDACTED]

A FROM [REDACTED]

SUBJECT: [REDACTED]

Re: attached memos from [REDACTED]

Recommend that we draft an —

G 1. Collection requirements [REDACTED]

2. Collect written material in print in U.S.
for study:3. Explore possibilities of consulting with hypnotists
+ telepathists, as professional researchers
(universities) and the entertainment field.
The latter will be more of value because they
are unorthodox and more inclined to actual

(over)

affirmation.

4. Rounding out volunteers, starting with
I + S, for experimental work here
testing techniques + establishing a
training pattern in defensive measures.If you concur in the above, we can set
up a definite program under each which
will bring together the info we need,
